

COMPANY PROFILE

Zhencheng Steel Co.,Ltd. is committed to the R&D ,manufacturing and sales of steel products, mainly including steel pipe, steel plates, stainless steel products and related fittings. Seamless steel pipe includes OCTG(Oil Country Tubular Goods), line pipe, pipes for machinery, boilers, vessels, and nuclear electricity, as well as precision seamless steel tubes(cold-drawn). Welded steel pipe includes ERW(Electric Resistance Weld), LSAW(Longitudinally Submerged Arc Welding) and SSAW(Spiral Submerged Arc Welding).

ZHENCHENG is committed to product innovation and new technology, owning dozen patents with independent property right of premium connection, special steel grades OCTG and other seamless steel pipe of special material. Meanwhile, ZHENCHENG is experienced in designing and installing seamless steel pipe production equipment for factories overseas as well.

Nantong Zhencheng Steel Co.,Ltd.

 **Address:** Hu Ji industrial park, Haian County, Jiangsu Province, P.R.China.
 **Tel:** +86 139 1579 1813
 **Email:** mandy.w@zesteelpipe.com

American Office:

 **Address:** 3296 Paramount Ln, Auburn Hills, MI 48326.
 **Tel:** +1 213 239 3018
 **E-mail:** hazel.w@zesteelpipe.com

ZHENCHENG STEEL

OCTG

-Casing&Tubing

Steel grade:H40,J55,K55,N80,L80,
C-90,C95,T95,P110,Q125,13Cr-80,
13Cr-110, Super 13cr
-Casing from 4 1/2"(114.3mm) up
to 20"(508mm)
-Tubing from 2 3/8"(60.3mm)up
to 4 1/2"(114.3mm)

-Drill Pipe

Grade: E75, X95, G105, S135 (PSL1/PSL2/PSL3)
Size:2 3/8" to 6 5/8" with tool-joints.
Tool joints:
-External upset: NC26, NC38, NC46,NC50,etc.
-Internal external upset: NC50, 5 1/2 FH, 6 5/8 FH, etc.
Internal Coating: DPC, TC2000, TK-34, TK-34P, TK-34XT,etc.
Hard banding: ARNCO 100XT, ARNCO 300XT, BOTN 1000,
BOTN 3000,etc.

-Pup joint&couplings

Casing pup joint/coupling: LC, BC,
SC, Premuim
connection 4-1/2"---20" (114.3---508)mm
Tubing pup joint/coupling: EU, NU, IJ, Premuim
connection 1.315"----4-1/2"(33.4--114.3)mm
Pup joint length: 2ft-20ft

Your superior steel solution...

OCTG-PREMIUM

-Corrosion resistant alloy pipes(CRA)

All API grades are available, as well as special grades/materials for deep-well services, high collapse or sour service and high alloy grades, such as L80-1cr, 3cr, 9cr, 13cr,13Cr-110, Super 13cr,etc.

LINE PIPE

Grade: Gr.B,X42,X52, X56,X60,X65,X70. (PSL1/PSL2)

-Seamless steel line pipe from 2 3/8''(60.3mm) up to 30''(762mm)

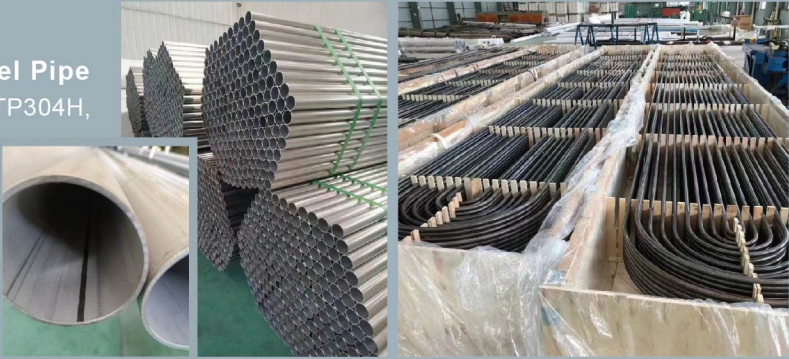

STAINLESS/TITANIUM/NICKEL ALLOY

-Seamless/Welded Stainless Steel Pipe

Grade: ASTM/ASME:TP304,TP304L,TP304H, TP316,TP316L,TP321,TP321H,TP310S, TP310H,TP317, TP317L, TP347, TP347H, N08904, S31803, S32205, S32750, S32760

Size: OD. 10-2500mm, WT.1.5-18mm

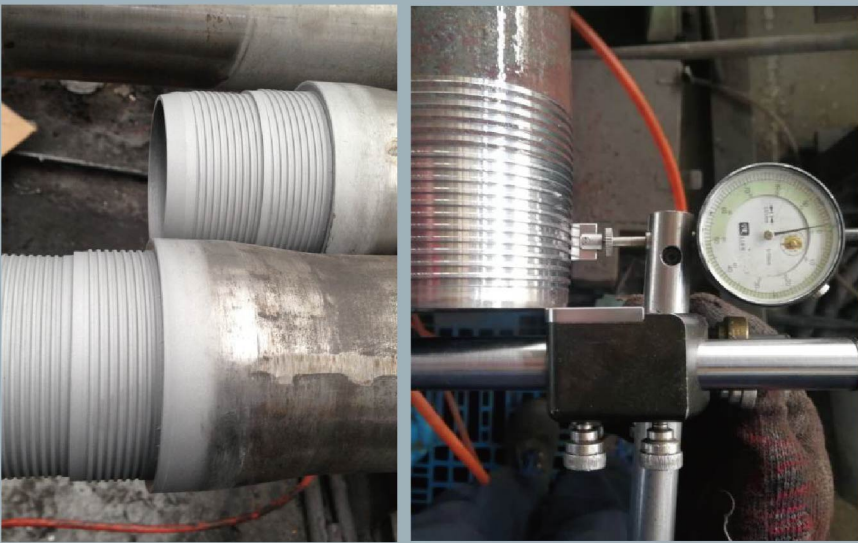

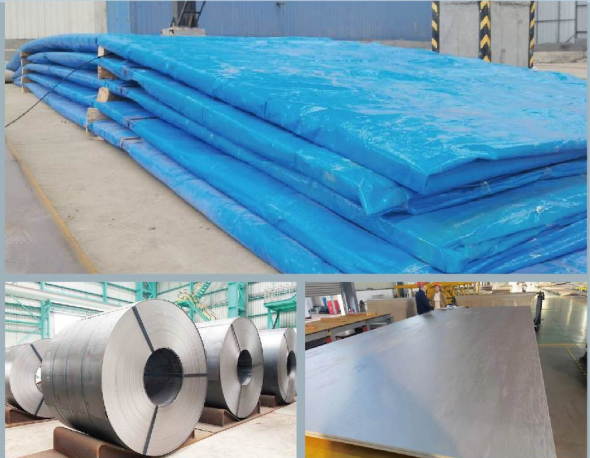

STEEL PLATES/COILS

Applications: Structural, ship-building, pipeline, energy and pressure, automobile,etc.

Material: Carbon steel, Stainless Steel

Sizes: As per client request.

Ultra-thin Cast Strip: 1150-1570mm for width, 0.8-1.9mm for thickness.

-Premium connection

ZC-series gas-tight premium connection is also supplied to meet different customer demands.

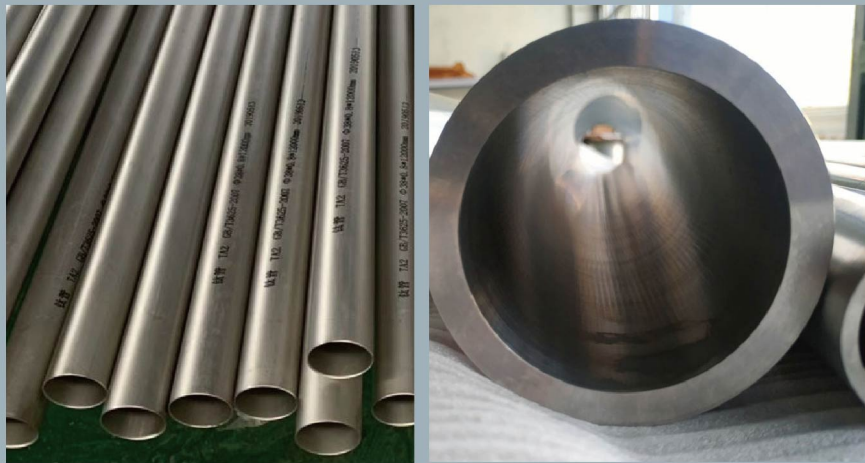

Types of premium connections:

- Coupled
- Flush Integral
- Upset Integral

-Welded steel line pipe (ERW/ LSAW/SSAW)

from 2 3/8''(60.3) up to 72''(1828mm).

-Titanium Tube

Grade: Gr1, Gr2,Gr3,Gr5; TA1, TA2, TA3,TA5,TA6, TA7,TA9,TA10

Size: OD.0.5-305mm WT. 0.05-20mm

-Riser connector

ZC-series riser connector is a kind of auto-locked thread connector applied with 16''-36'' risers.

-Coated line pipe:

2PE,3PE,3PP,TPEP,FBE,2FBE, non-slip granular,Concrete coating, etc.

Standard: DIN 30670,DIN 30678, CSA Z245,AWWA C210,AWWA C213,AWWA C222,ISO 12944,ISO 21809,etc.

-Nickel Alloy Tube

Grade: UNS N04400,UNS N06600, UNS N08825, UNS N06625,UNS N08020,etc.

Size: OD. 10-1219.2mm, WT.1.5-20mm

PIPE FITTINGS&VALVES

Fitting Categories: Flange, Elbow, Reducer, Tee, Cap, Bend

Valves: Ball Valve,Gate Valves,Globe Valves,Check Valves,Butterfly Valves,etc.

Material: Carbon steel, Alloy steel, Stainless steel
